DETAILED ACTION***Allowable Subject Matter***

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to independent claim 1, the prior art references fail to disclose, teach or suggest an airbag sensor module for a vehicle comprising: a base having a retaining portion, a sensor secured to the base; a fastener having a shaft and a threaded portion retained within the retaining portion, wherein the diameter of the shaft is less than the diameter of the threaded portion.

With respect to independent claim 10, the prior art references fail to disclose, teach or suggest an airbag sensor module for a vehicle comprising: a vehicle mounting structure having an internally threaded member, a base having a retaining portion, a sensor secured to the base; a fastener having a shaft and a threaded portion, wherein the threaded portion is received in the internally threaded member to secure the base to the vehicle mounting structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Toan C. To whose telephone number is (571) 272-6677. The examiner can normally be reached on Mon-Fri (8:00-5:00).
